- SOAPUI

Soft Skills

- Communicator
- Collaborator
- Motivator
- Team Leader
- Change Agent
- Analytical
- Logical

Profile Summary

- Experience in web based applications with Black Box Testing Techniques
- Good Exposure in requirement understanding and analyzing.
- Well acquainted with Software Testing Life Cycle (STLC)
- Experienced in Perform Functional Testing, System Testing, Regression Testing, and GUI Testing
- Knowledge on automation testing
- Experienced in perform Functional Testing.
- Experienced in perform Smoke Testing, Regression Testing.
- Experience in preparing and executing Test Cases based on Requirements
- Involved in Preparing and Executing Test Cases.
- Test Results analyzing and defects.
- Having Experience in Bug Reporting and Bug Tracking
- Experience in using Bug Tracking tool like Bugzilla,JIRA,Redmine,QC.
- Flexible and versatile to adapt to any new environment and work on any project
- Ability to learn new technologies and tools quickly.
- Ability to work in a team and Independent.
- Involved in Functionality testing, Integration testing and Regression testing.
- Participated in Agile meetings
- Testing Life Cycle(STLC) and Agile Testing process.
- Converting Manual test cases in TestNG script
- Actively Involved in Requirement Analysis
- Analyze Requirement Specification documents.
- Involved in functional and Regression testing.
- Involved in Re testing & End to End testing.
- Create test cases based on requirement specification documents.
- Reporting the bugs in the Bug Tracking.

Academic Details

- Chaudhary Charan Singh University, Meerut
  Bachelor of Computer Application (BCA) 2018
  64.43%
- Uttar Pradesh State Open School Board
  Intermediate 2015
  75.4%
- Central Board of Secondary Education (CBSE)
  High School 2013
  48%

HIGHLIGHTS:

- *Good knowledge in creating custom xpath identifier for locating objects on webpages.*
- *Good knowledge in executing the test cases using TestNG*
- *Debugging & Running the Test cases and Analyzing the Test Results.*
- *Working experience in Waterfall and Agile methodologies.*
- *Basic knowledge of Automation testing using SELENIUM Tool.*
- *Basic knowledge of API testing using Postman tool.*
- *Involved in Smoke and Regression testing.*
- *Good experience in writing the Manual Test cases.*
- *Understanding Requirement Specifications and Design Documents.*
- *Familiar with all aspects of SDLC and STLC.*
- *Familiar with Functional & Regression Testing.*
